## ONLINE BIDDING

Help video under “How it Works” at [www.6and6auctions.ca](http://www.6and6auctions.ca)

### Part 1: Setting Up Your Hibid Account

In your search bar (at the top of your webpage) type <https://6and6auctions.hibid.com/>

At the top of the page, click Login/New bidder

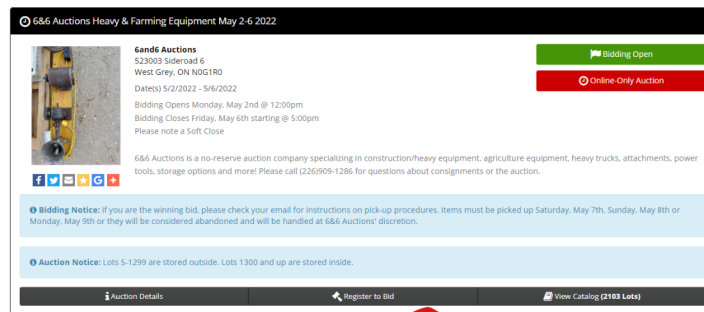

If you have a HiBid account, **Sign In**, then move on to part 2.

Don't have a HiBid account? Click **Register Here**

Answer all fields in **Tell Us About Yourself** (If you don't have a company name you can leave it blank)

Check off preferred boxes for 'Hiding Username' and then click **Create New Account**

Click **OK**.

### Part 2: Registering For The Current Sale

At the top of the page, click **Current Auctions** to refresh, then scroll down and click **Register To Bid**

On the next pop-up window, select **Payment Method** on the right and enter your credit card information.

Click **Save & Return to Registration**.

You may have to **reenter the CVV** from the back of your card, as added security.

Read the Terms & Conditions carefully, then **check the box to agree**.

Click **Submit Registration**. Then click **OK** on the pop up window that tells you that you are registered.

To the right of You are Registered (in green) click **View Catalog**.

Find your lots and **click the black button** with the next bid price in it.

On the next pop-up window, you can set a max bid or leave it at the next bid increment (your choice!)

Click **Confirm**.
